

OUR PROGRAMS

At CHYTC, we offer a variety of services to support holistic growth and healing:

CULTURAL & TRADITIONAL TEACHINGS

- Learn the teachings of the Medicine Wheel, discover Indigenous ceremonies, and embrace cultural practices that promote healing and unity.

LAND-BASED EDUCATION PROGRAMMING

- Engage in nature-based learning: identify medicinal plants, understand the land, and build a deeper connection with nature.

THERAPY & COUNSELLING

- Receive individual counseling and therapy to support mental health, healing from trauma, and emotional well-being.

LIFE SKILLS DEVELOPMENT

- Build essential skills such as time management, organization, and educational support to prepare for the future.

HEALTH & WELLNESS

- Gain awareness of mental health, develop coping strategies, and learn how to manage stress in healthy ways.

“Clear Hills Youth Treatment Centre is a place where strength of tradition meets the power of healing. This Centre will guide the next generation towards a brighter and more resilient future.”
